## *Sleeves*

What do you want to be  
when you grow up  
What do you want to see  
when you grow up  
Who are you going to be,  
Could you possibly  
heal the whole world

Chorus: Mama used to say,  
Happiness is free  
That's the way it will always be  
People always fight,  
this world just isn't right  
But you can create peace  
within your sleeves

Chasing the sun on a train, on a plane  
To get to the beach at night  
Dancing around fire light  
One too many bug bites

(Chorus)

This hill is not a mountain  
That's not something you can doubt  
When you're up so high  
If you haven't noticed  
This pond is not an ocean  
And you're still dry

(Chorus)

## *happy now*

I am, happy now  
I am, completely, fine  
there's nothing wrong with me and  
Everybody needs to see that  
I am, happy now

Birds are, flying, now  
Soaring high, now  
When I look up I see those birds  
staring down at me cause  
I am, happy now

I take responsibility  
For my own damn body  
And technically  
it's nobody's business what I do, but  
for the record,  
I'm happy now

# girls just want to have fun

I come home in the morning light  
My mother says  
when you gonna live your life right  
Oh mother dear  
we're not the fortunate ones  
And girls they want to have fun  
Oh girls just want to have fun

The phone rings  
in the middle of the night  
My father yells  
what you gonna do with your life  
Oh daddy dear  
you know you're still number one  
But girls they want to have fun  
Oh girls just want to have

That's all they really want  
Some fun  
When the working day is done  
Girls - they want to have fun  
Oh girls just want to have fun

Some boys take a beautiful girl  
And hide her away  
from the rest of the world  
I want to be the one  
to walk in the sun  
Oh girls they want to have fun  
Oh girls just want to have

(Chorus)

## *jacob*

Jacob

When will the world  
be good enough for you

Jacob

No one understands  
your point of view

"You wear too much makeup", He says  
Babe, is that true?

I'm not trying to cover up  
or hide from you [hide from you]

Chorus:

Cause I.....

Try....

What do you want me to do?

Jacob

When will I be good enough for you  
Jacob

I changed my whole world for you  
"You should give up", He says  
"They always do"

And now i'm torn  
between the world i love  
And you [and you]

(Chorus)

# *californication*

Psychic spies from China  
Try to steal your mind's elation  
Little girls from Sweden  
Dream of silver screen quotations  
And if you want these kind of dreams  
It's Californication

It's the edge of the world  
And all of western civilization  
The sun may rise in the East  
At least it settled in a final location  
It's understood that Hollywood  
Sells Californication

Pay your surgeon very well  
To break the spell of aging  
Celebrity skin is this your chin  
Or is that war your waging

Chorus:

First born unicorn  
Hard core soft porn  
Dream of Californication  
Dream of Californication

Marry me girl, be my fairy to the world  
Be my very own constellation  
A teenage bride with a baby inside  
Getting high on information  
And buy me a star on the boulevard  
It's Californication

Space may be the final frontier  
But it's made in a Hollywood basement  
And, Cobain, can you hear the spheres  
Singing songs off station to station  
And Alderaan's not far away  
It's Californication

Born and raised by those who praise  
control of population  
Well, everybody's been there  
and I don't mean on vacation

(Chorus)

Destruction leads to a very rough road  
But it also breeds creation  
And earthquakes are to a girl's guitar  
They're just another good vibration  
And tidal waves couldn't save the world  
From Californication

Pay your surgeon very well  
To break the spell of aging  
Sicker than the rest  
There is no test  
But this is what you're craving

(Chorus)

## *say something*

Say something, I'm giving up on you  
I'll be the one, if you want me to  
Anywhere I would've followed you  
Say something, I'm giving up on you

And I am feeling so small  
It was over my head  
I know nothing at all

And I will stumble and fall  
I'm still learning to love  
Just starting to crawl

Say something, I'm giving up on you  
I'm sorry that I couldn't get to you  
Anywhere I would've followed you  
Say something, I'm giving up on you

And I will swallow my pride  
You're the one that I love  
And I'm saying goodbye

Say something, I'm giving up on you  
And I'm sorry that I couldn't get to you  
And anywhere I would've followed you  
(Oh-oh-oh-oh)  
Say something, I'm giving up on you

Say something, I'm giving up on you  
Say something...
